SUMMARY

The Senior Mobility Program is dedicated to enhancing the quality of life and well-being for seniors in our community. By doing so, we at SIGN hope to keep all seniors independent for as long as possible.

This is done by assisting seniors with getting in and out of the vehicle, carrying groceries, and assisting with other needs on their trips.

Seniors are also protected by total confidentiality while in the care of the Senior Mobility Program.

The Senior Mobility car is a smoke free vehicle and is kept clean at all times.

Fees are kept as low as possible to provide seniors with affordable transportation.
